REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: With regards to claims 1-4, the prior art of record does not disclose or fairly teach a first compensation line attached to the first input signal line; and a second compensation line attached to the third input signal line and intertwined with the first compensation line to create a first compensation line assembly having capacitive and inductive coupling. With regards to claims 5-8, the prior art of record does not disclose or fairly teach the mutually intertwined conductors having a connected end being in electrical contact with the selected ones of the conductors and a free end being unattached to the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Terminal Disclaimer

The terminal disclaimer filed on 7/23/04 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of 6,744,329 has been reviewed and is accepted. The terminal disclaimer has been recorded.
